ST. CROIX LUTHERAN SUMMER SCIENCE CAMP

July 16–20, 2012
Boys and Girls, grades 5–8

OTHER SCL SUMMER CAMPS

Crusader Fastpitch Softball Camp

Open to girls in grades 4-9, the camp will be held on two Sunday evenings: March 4 & 11, 2012, from 6-8 pm. Instruction will focus on the fundamentals of fastpitch softball.

Crusader Basketball Camps

* Girls entering grades 5-9: June 11-15, 2012

* Boys entering grades 4-6: June 18-22, 2012

* Boys entering grades 7-9: June 25-29, 2012

Instruction will focus on individual fundamentals within a team setting and emphasize solid person-to-person defense and strong offensive skills.

Crusader Volleyball Camp

Open to girls entering grades 6 through 9, the camp will be held July 23–26, 2012, and will teach fundamentals, defensive skills and offensive strategies.

Crusader Soccer Camp

Open to both boys and girls entering grades 5 through 9, the camp will be held July 30 - Aug. 3, 2012, and will teach solid fundamental skills, stressing techniques over tactics.

Golf Camp

Open to both boys and girls entering grades 6 - 12, the camp will be held July 23-25, 2012, and will emphasize techniques and skills that are vital to understanding and playing the game of golf. Students of all skill levels are encouraged to attend, and it's great for advanced golfers, too.

Crusader Football Camp

Open to boys entering grades 6 through 9, the camp will be held August 6-10, 2012. Instruction will cover all positions, developing the skills essential to success in the game of football.

Crusader Wrestling Camp

Open to boys entering grades 3 - 9, the camp will be held July 9-13, 2012, and will teach the fundamentals of wrestling; the skills and techniques that it takes to compete in the sport of wrestling as well as the self-confidence and self-awareness needed in this uniquely individualistic team sport.

SCLHS 2012 SUMMER SCIENCE CAMP

When: Monday–Friday, July 16–20

Time: 9:00 – 11:30 a.m.

Who: Boys and girls entering grades 5–8

Cost: \$60.00

Students will have one day to explore the world of *chemistry*.
What is “stuff”? How does “stuff” change? What makes “stuff” blow up?

And then...

Friday is reserved for a science field trip!

The entire St. Croix Lutheran High School science department will lead students to explore the world of science with hands-on, experiential learning presented in a fun and interesting way.

Students will have one day to explore the world of *biology*.

Animals, plants, and is there life in St. Croix’s lake?

Students will have one day to explore the world of *physical science*.

Are you more powerful than a light bulb?

Students will have one day to explore the world of *physics*.

How about a mechanical project that you can take home?

The deadline for application is June 25, 2012. Please make checks payable to St. Croix Lutheran High School. Fee includes a camp t-shirt.

If you have any questions, please call Brent Schacht, head of the science department, at 651-455-1521, x161, or bschacht@stcroixschools.org.
