### Activities for Dorm Residents

On weekends, students are given the opportunity to participate in a variety of fun activities like ski trips, concerts, sports events, and cultural activities. Shuttle transportation is offered for weekly church services, shopping trips to the mall and traveling to the airport.

### Staying Connected

Wise use of time is actively monitored according to parents' wishes through the following:

- Weekday and weekend study schedules
- Online reporting of weekend activities
- Permission required to leave campus

### Junior Boarding School

SCL's Junior Boarding Program allows young students to become part of a diverse community that provides them the support they need during their middle school years. Students grow in social skills, organizational habits, and self-reliance, and are gradually able to take on more responsibility and leadership. Dorm supervisors provide a safe and nurturing environment that emphasizes a family atmosphere, emotional development, spiritual growth, and prioritized study time.

### Cultural Diversity

American students in the dormitory have the opportunity to interact with students from 13 different countries. International students place a high value on a SCL education and on friendships with American students.
